

Why is it  
important to find  
authentic (real)  
journals and  
writings?

What  
skills  
would be  
important in  
Jamestown?

What  
would you  
have done  
if you were  
Samuel?

Has  
this  
journal  
actually  
been  
written  
by Samuel Collier?
